

TAMPA TOWN

By Sherry Simon

It's about time! That's only \$2.25!

what Tampa Town had to say when I told them Steppin' Around was coming to their side of the bay. So for those of you who have thought all this time that Tampa was "another world," here's just a bit of what's happening. We may be in another world, but you'll notice it's a happening place!

Tampa's king of R&R who should get some kind of award for keeping it at and being successful for a big five years in one location is **Jim Robiconti**. Among the many ideas which have kept **Robiconti's** going is his famous Monday night out for the trade people. That is, the people in his trade. The bartenders, cocktail waitresses, entertainers, etc., many of whom are off on Mondays, all flock to "Robo's" for special prices and special treatment. The music is hot and the drinks are gigantic and you always meet the people who make Tampa function at night. Wednesday night has recently become a hot night at **Robiconti's**... it's Boston Tea Party night... featuring a room full of sexy Indians and the mixer glass ice teas for
